"...always with you when you need it!"

Patent 5,491,856

SWISS+TECH® brand tools enjoy a strong reputation for precision crafted, high quality and very durable designs at key impulse price points. This ever-popular Solid Stainless Steel Key Ring Tool stands as the foundation on which that reputation was built.

The Micro-Tech™ offers a quick-release, self-locking mechanism that easily secures onto key rings for handy everyday use. It fits conveniently into pocket, bag or backpack to be readily available for hundreds of quick indoor, outdoor or emergency repairs and installations.

Strong POS Merchandising

New, high-impact packaging dynamically enhances point-of-sale purchases with bright, eye-catching, color graphics that clearly and effectively communicate features and benefits. Ask about complete merchandising programs, including clip strips, one, two and four section counter displays, and wall displays.
