SWISS+TECH™ BodyGard Survivor®

Really Cool Precision Tools!®

12-in-1 Self-Powered Emergency Companion

SWISS+TECH® brand tools have forged a strong reputation for precision crafted, high quality, extremely durable designs at key impulse price points.

Indoor or Outdoor. Emergency or Non-Emergency. This 12-in-1 self-powered Survival Tool generates power whenever and wherever it's needed.
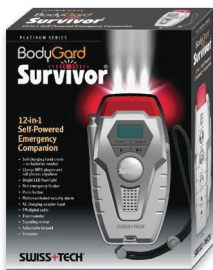

No more worries about batteries for the flashlight. No worries even about where or when to charge cell phones and electronic devices. BODYGARD SURVIVOR® does it all! The flashing red light, panic button and motion activated security alarm help protect from harm — at home, while biking, camping, hiking, fishing, hunting and boating. The compass helps find the way, and the signaling mirror can bring others to help.
