- Quick-release safety blade

Sonic Alarm

- Piercing audio alarm

LED Flashlight

- High beam and low beam

Emergency Flasher

- Brilliant red flashing light

Thermometer

- 0° - 120° F, easy to read

Digital Tire Gauge

- Push button activation

When vehicle doors, windows, or seatbelts fail to operate due to damage, fire, or submersion, BodyGard® 7-in-1 could be the difference between life and death for both drivers and passengers!

Break out the side window glass in an instant; slash through inoperable seat belts without fear of getting cut; flash an emergency signal for help; set off a piercing audio alarm — these are all quick and easy with a personal BodyGard® 7-in-1. Also includes a high beam/low beam flashlight, digital tire gauge and fahrenheit thermometer.

Beautiful, upscale metallic silver and chrome finish. Attaches to key ring, rear-view mirror post, or either sun visor arm. (So customers will want more than one!)

A Lifetime of Safety, Security & Peace of Mind!

SWISS+TECH® BodyGard® 7-in-1 Emergency Tool

First in Key Ring Products™

BodyGard® 7-in-1 There's No Other Tool Like It!

Vehicle travel, biking, hiking and camping, even hanging out at home, are all safer with palm-sized BodyGard® 7-in-1 Emergency Tool. Attaches easily to key rings, backpacks, bicycles, and belt loops.

Strong Reputation. BodyGard® 7-in-1 follows the tradition of functional, Lifetime Warranted Swiss+Tech® Tools which have built a strong reputation for precision, high quality, attractive styling and durable designs at key impulse price points.

Strong POS Merchandising. High impact packaging displays product and clearly presents features and benefits to sell itself effectively at the point of sale. Also available in high quality metal gift boxes, with or without window. Complete merchandising programs are available, including clip strips, counter displays, floor displays and wall displays.

It's a LIFESAVER!

- Made to help someone escape from a vehicle when windows or doors fail to operate due to vehicle damage, fire or submersion.
- Easily attaches to key ring, rear-view mirror post or either sun visor arm
- Sonic alarm and lights can be used to ward off attackers or signal for help when walking, biking or hiking
- Replaceable A23/12V alkaline battery included
- Rugged ABS housing
- Long lasting high-carbon steel components
- Glows in the dark to help locate in low or no light conditions
- Key Ring Included!

1 Glass Breaker

Spring loaded. Automatically deploys when pressed against side or rear window.

2 Seat Belt Cutter

Sharp safety blade frees both driver and passengers if seat belts do not unlatch.

3 Sonic Alarm

Piercing audio alarm can scare off attackers or signal for help when walking, biking or hiking. Pushbutton on-off.

4 LED Flashlight

High beam and low beam options. Safely unlock the car door or house, light the way, or signal for help.

5 Emergency Flasher

Brilliant red flashing light signals distress or alerts oncoming traffic. Pushbutton operation.

6 Thermometer

Easy-to-read and always with you. Reads temperatures from 0° to 120° Fahrenheit.

7 Digital Tire Gauge

Push button activation. Easy-to-read LCD display.
