# SWISS+TECH® Utili-Key®

First in Key Ring Products™

SWISS+TECH® brand tools enjoy a strong reputation for precision crafted, high quality and extremely durable designs at key impulse price points. The Utili-Key® 6-in-1 is the smallest, ultra-light key ring tool available in the SWISS+TECH® line, and one of the most popular tools.

## Multi-Function micro-tool

The Utili-Key® offers a patented quick release mechanism that easily and securely locks onto key rings, and releases quickly for handy everyday use. It fits conveniently into pocket, bag or backpack to be readily available for hundreds of quick indoor, outdoor or emergency repairs and installations.

## Strong POS Merchandising

New, high-impact packaging dynamically enhances Utili-Key® point-of-sale purchases with bright, eye-catching, color graphics that clearly and effectively communicate features and benefits. Ask about complete merchandising programs, including clip strips, one, two and four section counter displays, and wall displays.
