Personal Care Key Ring Companion

Swiss+Tech® Smart Clip™ Ultra

Smart Clip™ Ultra – Stainless Steel Personal Care on a Key Ring

Swiss+Tech® Tools have built a strong reputation for precision, high quality and durable designs at key impulse price points. The latest addition to a family of attractive and convenient key ring tools, the new Smart Clip™ Ultra offers personal care on-the-go, in a convenient, functional, sleek and hassle-free design with an elegant, polished stainless steel casing for the discriminating buyer.

Integrated Nail Clipper & LED Flashlight

In addition to the quick-release self-locking mechanism, the Smart Clip™ Ultra's patent-pending design satisfies an array of personal care needs. This tool includes an innovative integrated nail clipper, and a long-life, ultra bright LED Micro flashlight with replaceable battery.

Strong POS Merchandising

The Smart Clip™ Ultra is supported by informative, high impact packaging that effectively communicates features and benefits at the point of sale. Complete merchandising programs are available, including clip strips, one, two and four section counter displays, and eight section floor and wall displays.

The innovator in Micro-Tools does it again with another revolutionary, patent-pending design!
