Patent #5,491,856, other patents pending.

SWISS+TECH®

First in Key Ring Products™

11-in-1 Micro-Pro™ EX

USB Flash Drive & Key Ring Tool Set

Swiss+Tech® Micro-Pro™

Micro-Pro™ – Next Generation Micro-Tools

Swiss+Tech® Tools have built a strong reputation for precision, high quality and durable designs at key impulse price points. The latest addition to a family of attractive and convenient key ring tools, the new Micro-Pro™ EX with Flash Drive offers convenience, functionality and sleek design for on-the-go, hassle-free use. Its patent-pending 11-in-1 design includes a multi-functional folding Micro-Tool Set and the latest in high-tech trends, a high-speed 2.0 USB Flash Drive.

Integrated USB Flash Drive Docking Stations

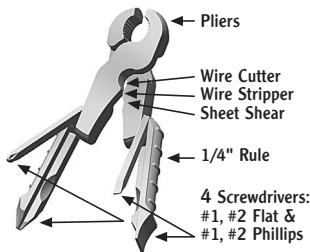

In addition to the patented quick-release self-locking mechanism, Micro-Pro™ combines patent-pending, next generation Micro-Tool design with Flash Drive Technology, making it easier than ever to transport electronic documents, photos, music and more.

Strong POS Merchandising

The Micro-Pro product line is supported by informative, high impact packaging that effectively communicates features and benefits at the point of sale. Complete merchandising programs are available, including clip strips, one, two and four section counter displays, and eight section floor and wall displays.

The innovator in Micro-Tools does it again with another revolutionary, patented and patents pending design!

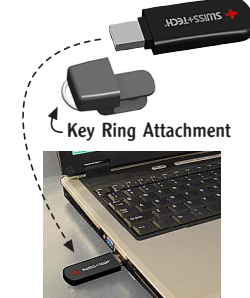

Multi-Function Folding Tool Set

- + Precision crafted
- + Solid stainless steel
- + Pocket-friendly—no sharp edges when “docked”
- + Securely attaches to Micro USB Flash Drive Tool Dock or any key ring for a convenient, pocket size, precision “tool kit”

Micro USB Flash Drive & Tool Dock

- + Save, back up, and transport photos, music and data
- + Easy to use
- + Available in four storage capacities
