Swiss+Tech® Utili-Key®

Utili-Key® Premium Series: Utility & Personal Care

Swiss+Tech® Products proudly presents two new premium additions to its most popular line of key ring tools, the new Swiss+Tech® Utili-Key® FX and XT. Building on a strong reputation for precision, high quality and durable designs at key impulse price points, these two premium offerings combine the functional versatility of our traditional Utili-Key® with convenient personal care features. In addition, the handy Utili-Key® XT offers retailers an option with no cutting blades.

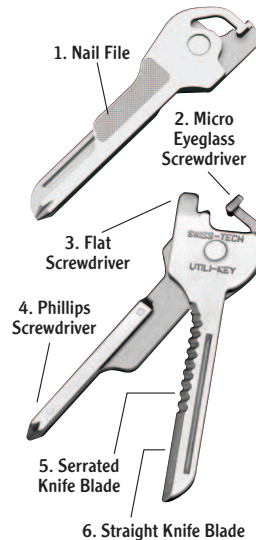

Innovative, Compact Locking Design

These amazingly compact Utili-Key® portable tool sets offer a patented quick-release, self-locking mechanism and design. The smooth, precise action and solid feel of the MIM handle and fine blank blade provide unmistakable testimony to the impressive quality and durability of these premium grade tools. Configured in the locked position, Utili-Key® conveniently fits into pocket, bag, or drawer, always there, ready for work.

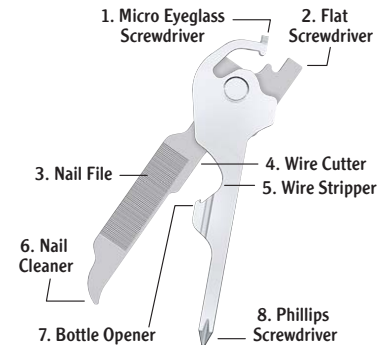

Strong POS Merchandising

The Utili-Key® product line is supported by informative, high impact packaging that effectively communicates features and benefits at the point of sale. Complete merchandising programs are available, including clip strips, one, two and four section counter displays, and eight section floor and wall displays.
