Batteries and key ring are included.

*"...always with you when you need it."*

# SWISS+TECH® BodyGard® PTX

Really Cool Precision Tools!™ Auto Emergency Tool

SWISS+TECH® brand tools have forged a strong reputation for precision crafted, high quality, extremely durable designs at key impulse price points.

The new, very lightweight, amazingly powerful BodyGard® PTX breaks out side window glass in an instant, slashes through inoperable seat belts safely, then flashes an emergency signal for help and/or lights the way with its bright white LED flashlight.

Rugged ABS construction, high-carbon steel components. Attaches to key ring, rear-view mirror post, or either sun visor arm for quick, easy access when needed.

**1 Glass Breaker**  
Spring loaded. Automatically deploys when pressed against side or rear window.

**2 Seat Belt Cutter**  
Sharp safety blade frees both driver and passengers if seat belts do not unlatch.

**3 LED Flashlight**  
Bright white LED. Safely unlock the car door or house, light the way, or signal for help.
