Carabiner Multi-Tool 6-in-1

SWISS+TECH® brand tools have forged a strong reputation for precision crafted, high quality, extremely durable designs at key impulse price points. The brand new CARABINER MULTI-TOOL follows that tradition while sporting a sleek, unique design that is both attractive and easy to handle.

This new tool takes a lesson from the mountaineering industry with its clip-action fastener/connector. The carabiner-style quick release mechanism is a natural for effortless fastening and unfastening. Tools and locking mechanism snap into position when opening or closing, providing an unmatched feeling of quality. Bright white LED Flashlight pushbutton control turns off automatically upon release to save energy.
