

Really Cool Precision Tools!™

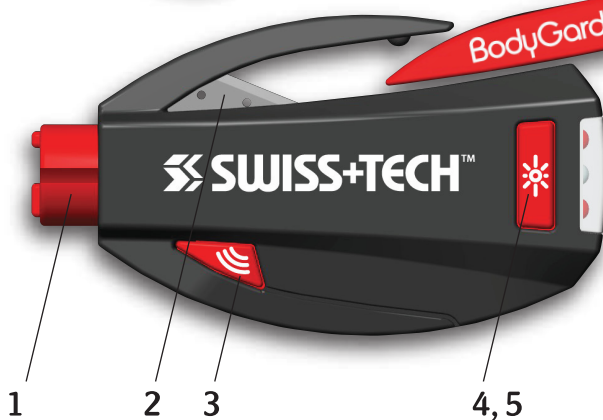

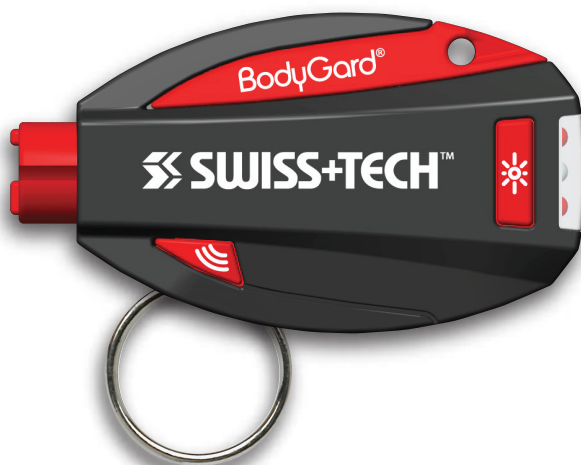

BodyGard® ESC 5-in-1

Automobile Emergency Tool

For when doors or windows fail to operate due to vehicle damage, fire or submersion.

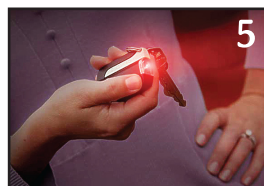

- 1. Glass Breaker
- 2. Seat Belt Cutter
- 3. Sonic Alarm
- 4. LED Flashlight
- 5. Emergency Flasher

- * Sleeker Design!
- * 30x Brighter Flasher!
- * 6x Longer Battery Life!
- * Improved Visor Clip!

A quick, sharp tug opens the blade safety chamber (2) and also releases the tool for immediate action.

Batteries and key ring included.

“...always with you when you need it.”

SWISS+TECH® brand tools have forged a strong reputation for precision crafted, high quality, extremely durable designs at key impulse price points. The sleek new BODYGARD® ESC follows that tradition and packs a lot of power and appeal into a small, extremely lightweight tool that is simple to use.

Break out side window glass in an instant; slash through inoperable seat belts without fear of getting cut; flash an emergency signal for help; set off a piercing audio alarm; then light the way with a bright white LED flashlight – these are all quick and easy to do in an emergency with this handy tool.
