- Bright white LED light, right where you need it
- Pushbutton on/off control
- Stays securely in place

Each tool light includes replaceable batteries already installed.

# SWISS+TECH™ LED Tool Light Series

Really Cool Precision Tools!™

## Magnetic Tool Light

For when both hands are needed and there isn't someone else to hold the flashlight. The Magnetic Tool Light is the tool for convenience. Clips on in countless places; screwdrivers slide snugly into the socket; the magnet works on metal surfaces and swivels 360 degrees. Turns on in a touch, and shines the light right where it's needed, when it's needed.

Two replaceable CR2016 lithium batteries are included.

Screwdriver Socket

## Hand Mount Tool Light

Straps on quickly, turns on in a snap, and shines the light right where it's needed, when it's needed, with no worry about dropping it. When both hands are required and there is no one else to hold the flashlight, the Hand Mount Tool Light is the perfect solution.

Two replaceable CR1025 lithium batteries are included.

## Flex Band Tool Light

Flex Band Tool Light is the perfect solution when two hands are needed for a job and there is no one else to hold the flashlight. The silicone band attaches quickly; the light turns on in a touch and shines right where it's needed, when it's needed, with no worries about dropping it.

Two replaceable CR1025 lithium batteries are included.
