

## LED Pet Lights

### Pet Collar Light

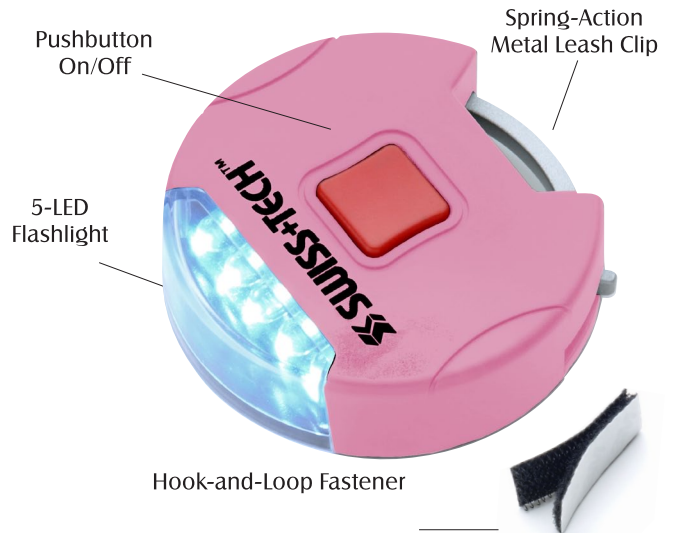

Press bulb for ON/OFF.

- Use scissors to trim hook-and-loop fastener to length needed and strap light to your pet's collar
- Press bulb once to turn ON
- Press bulb a second time to activate the FLASHER
- Press bulb again to turn OFF
- 2 replaceable CR1025 lithium batteries are included

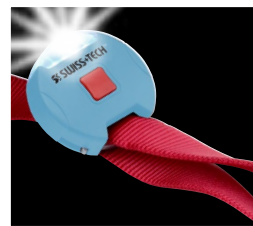

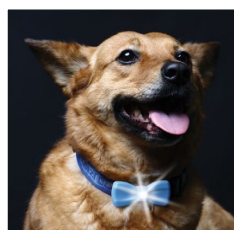

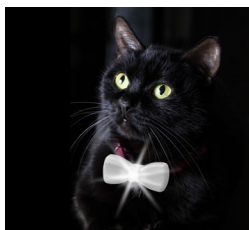

Slide trimmed Velcro through slot and wrap Velcro around pet collar.

### Dog Leash Light

- 5 very bright white LED lights
- Fits all sizes of retractable leash handles (hook-and-loop style fastener included)
- Fits standard leashes up to 1" (attach using integrated metal, spring-action clip)
- 3 replaceable AG13 button cell batteries are included
